

Royal Rangers Pre-Camp Volunteers

The following form is needed to help prepare for feeding Royal Rangers leaders who are pre-camp and post-camp volunteers. All pre-camp volunteers will be assisting with the overall camp setup from July 11-14. All post-camp volunteers will be assisting in camp breakdown on July 22-23. All Royal Rangers adult volunteers must be registered for Camporama, including the Participant Agreement & Medical Record (your signature and the pastoral endorsement) on file.

Region Information:

On Friday morning, July 15, the region encampment setup can begin. Each region should have a team of 3-5 adult leaders on site no later than July 16 to layout and set up the regional encampments. Specific details are found in the Regional Coordinator Duties and Guidelines document. This document has been sent to all regional coordinators. Those arriving Thursday afternoon or evening (July 14) should eat dinner on the way into camp. Your first meal will be Friday breakfast. Plan to lodge in your region HQ when you arrive.

District Information:

On Saturday morning, July 16, all districts will need a team of 1-3 adults to check in with the regional team to begin setup of the district encampment. Refer to the Camporama Leader Guide, found online, for important information on what is expected by each district. In particular, refer to page 19-20 for campsite setup. (**Note:** When the gates open to campers at 1:00 pm on July 17, districts must be ready to greet each outpost at the district encampment and direct them in setting up a well-organized encampment.) If you have any questions, please contact your regional staff. Those arriving Friday afternoon or evening (July 15) should eat dinner on the way into camp. Your first meal will be Saturday breakfast. Plan to lodge in your district camp when you arrive.

Both Region and District information:

In order to complete all pre-camp projects as needed, **ALL** pre-camp volunteer staff will be assigned to general camp setup duties and region/district encampment setup will not start until the above mentioned dates. We appreciate all pre-camp volunteers and thank you in advance for your assistance in the overall setup of camp. We will provide housing assignments as possible for pre-camp volunteers, starting Sunday evening, July 10-14. (**Note:** Beds are limited for pre-camp volunteers, so we cannot guarantee everyone will have a bed. Some may need to stay in tents.)

In order to anticipate the number of people we are serving at each meal, we need all volunteers to submit a Volunteer Meal Order Form by the deadline. We also need to define region/district encampment setup team numbers and dates. Those who do not register in advance may be able to purchase meals onsite if available.

All Royal Rangers leaders who volunteer for pre and/or post camp setup or breakdown are expected to be registered campers.

Thank you for your servant's heart!
