At the option of the district director, more than one team from an outpost may be permitted to compete in the District Championship Match.
3. If an outpost has more than one team competing in a District Championship Match and one of those teams earns an invitation to the National Camporama Championship Match, the outpost coordinator may select shooters from any of the outpost's teams in the District Championship to make up the team representing the outpost at the National Camporama Championship Match. A shooter must represent the same outpost in both the District and National Championship Matches. No pick-up or district all-star teams are allowed.

4. Invitations to compete in the National Camporama Championship Match are open to the **top two*** teams in the district. Teams will be limited to one per outpost unless there would not otherwise be two teams representing that district.

*In the event there are more than two teams from any one district interested in competing in the National Championship, they should contact the Royal Rangers national office to see if there may be openings available due to non-participation of some districts.

CONDUCT OF THE TOURNAMENT

2. Proper safety procedures will always be enforced. During competition, infractions will be noted. One warning will be issued to the shooter and his coach. A second infraction may result in the disqualification of the shooter.
3. Proper eye protection will be required for all persons from the ready line and forward to the target areas.
4. Acts of unsportsmanlike conduct may result in disqualification.
