GREETINGS FROM THE NATIONAL DIRECTOR

Hey Team,

Camporama 2020! *Does that sound like it's a long way off?*

I remember when the calendar changed from 1999 to 2000. Remember the Y2K bug? Many of you will remember this. Most of the boys you work with weren't even alive when that happened. I'm not bringing this up to make us feel old, but I want to remind you that the boys we are working with look at life from a very different perspective.

Many of you have been to Camporama several times, but this will be the first or second opportunity for most boys to experience our incredible campgrounds in Eagle Rock, MO. Remember the first time you visited Eagle Rock campgrounds or attended your first Camporama? Remember the excitement and the anticipation of getting there? Can you still feel the awe of driving on the grounds and seeing Rangers from across the nation and around the world? What was it that God did in your life while you were sitting on the side of the hill in our amphitheater surrounded by thousands of men and boys all worshipping and pursuing God? The boys you minister to deserve this same opportunity. In fact, based on our vision of influencing more boys and young men than ever, more effectively than ever, we have a responsibility to ensure as many boys as possible have the same experience.

Camporama 2020 will help us do exactly that! You're holding in your hand the packet that will provide the tools to help you ensure that Camporama is a possibility for the boys you minister to. This packet also answers many of your questions.

July 20–24, 2020, will be here before you know it. Start planning today to be part of this “Ultimate Event for Guys.” Registration opens at the LEAD19, and your best price is available March–October 2019!

Boys and leaders who were at Camporama 2016 still talk to me about the impact that week had on them and their outposts. Let's see what God's going to do this time. I can't wait to see you there!

Karl S. Fleig
National Director

Registration Process At-a-Glance

Registration for Camporama may be completed by mail or online. An application is available on the Camporama website for use in gathering information on each camper. These applications may then be mailed in with your registration fees or entered online with a credit card payment. Regardless of the registration method used, a Participant Agreement & Medical Record (also available online) must be completed for each camper (boys and leaders) and mailed to the address below in advance of the camp. A Participant Agreement & Medical Record must be on file for each camper before he will be allowed to enter the campgrounds at Camporama.

Outposts shall retain a copy of all Participant Agreement & Medical Records for emergency use while traveling to and from Camporama. Originals must be mailed to:

Convention Services Group
1445 N. Boonville Avenue
Springfield, MO 65802

If paying by check, include payment with the forms. Your registration will not be complete until we receive your registrations (online or by mail), the completed Participant Agreement & Medical Records, and full payment. Once we receive all three, you will receive a letter, via email, confirming your registration is complete.

Online Registration

Online registration is a simple 4–step process:

1. Gather the information you will need to fully complete the registration process (see above).
2. Go to the National Camporama website, nationalcamporama.com, and follow the links to the online registration site. Enter the required information for each camper.
3. Select one of two payment options—check or credit card. If paying by check, please include the names of the people and the amount for each that the payment covers. Payment amount is determined by the date on which the payment is received. If paying by credit card, payment amount is determined by the date you enter your credit card information. Paying by credit card ensures your online application and payment is processed immediately. When completing the online information, you may pay for more than one person with a credit card in one transaction.
4. Each person will be camping with his district. Because of this, some districts may require a separate registration process for attendees to register with them (additional fees may apply). Some districts may also provide an optional transportation package to and from the event. If you are unsure of your district contact information, please email rangers@ag.org.

Refund & Substitution Policy

Camper who are unable to attend Camporama may request a partial refund of fees paid. Requests must be submitted in writing to Convention Services Group (see address above). Requests received more than 90 days before the beginning of camp will be refunded in full less a \$25 fee. Requests received from 90 to 30 days will be refunded less a \$75 fee. Requests received within 30 days of the camp or onsite will be refunded less a \$150 fee. No refunds will be issued for requests received after the event.

In situations where a registered camper is unable to attend, an alternate camper may be substituted in his place provided the alternate meets the participant qualifications (see page 9).

Refunds on fees charged by districts are decided by each district.

Medical Record Information

In addition to the registration process, all participants must submit a completed Participant Agreement & Medical Records. The health and safety of all participants is of utmost importance. Participants must be aware that Camporama is by nature a physically challenging event that requires a degree of physical health and capabilities. Participants must be able to walk significant distances over uneven ground in a hot and humid environment. It is therefore necessary that the medical staff be aware of participants who have certain physical conditions. Any physical conditions should be noted on the medical record form.

Health & Medical topics:

- Each participant's immunization shots should be current. Immunization requirements are based on recommendations of the U.S. Public Health Service.
- Any allergies, recent surgeries, medications being taken, or other relevant health information must be included on the medical record form.
- Cardiovascular problems requiring medication
- High or low blood pressure
- Diabetes requiring treatment
- Marked obesity
- Bronchial asthma (acute or severe) under treatment during past 24 months
- Anemia, hemophilia, or other severe blood problems
- Food allergies
- HIV infection
- Epileptic seizure having occurred within the past 12 months
- Under current psychiatric treatment
- Severe physical disability of any type
- Sleep apnea
- Other communicable diseases

The district director must retain a copy of each district participant's Participant Agreement & Medical Record while traveling as a group to and from the Camporama site.

Persons who have any of the above or precautionary conditions are requested to consult with their physician and seek his/her opinion on whether or not they should attend Camporama.

Disabilities

Camp Eagle Rock is a rustic camping facility with limited accessibility for individuals with physical disabilities or limited mobility. In most cases, special accommodations for campers with physical disabilities or special needs will not be available. However, special consideration may be made if requests are received well in advance of the start of camp.

Required Release Signature Information

Required release signatures must be obtained before you are considered registered for Camporama. A boy under the age of 18 (and who will not turn 18 on or before July 24, 2020), must have his parent's or legal guardian's signature. Any other Camporama registrant who does not meet this criterion will need his personal signature AND his pastor's signature to attend Camporama.

Boy Qualifications

Boys may attend the Camporama who meet the following qualifications:

- Have graduated from 3rd grade and be 9 years of age on or before July 19, 2020. If graduated from 3rd grade and still 8 years old he must be accompanied by his father or his legal male guardian. (No exceptions to these rules.)
- Must complete online registration and the Participant Agreement & Medical Record Form (available at nationalcamporama.com).
- If young man becomes 18 years old by July 24, 2020, he must acquire his pastor's signature on the Participant Agreement & Medical Record form.

Adult Qualifications

Men may attend Camporama who meet the following qualifications:

- Must be 18 years old by July 19, 2020.
- Must be approved by his pastor and complete your church's leadership screening process.
- Must complete the registration process and submit the Participant Agreement & Medical Record form.

All registered campers must be of the male gender (with the exception of registered, international female Royal Rangers). Otherwise, females may attend as visitors during the regular visitor hours. All visitors may attend the Thursday evening service.

Fundraising

Ideas for fundraising may be available on the Camporama website at nationalcamporama.com.

Child Abuse Prevention

Every adult attending Camporama must have on file with his church a Church Worker's Clearance Form. The pastor of any adult wishing to attend must sign the leader's Camporama application form, indicating the leader has been background screened and is a competent and qualified church worker with no known facts or allegations that raise any question concerning the leader's suitability for working with minors in any Royal Rangers activity.

All suspected abuse or inappropriate behavior involving a child at Camporama is to be reported immediately to the Camporama director or Camporama coordinator. Child abuse will not be tolerated. Child abuse reports will be kept confidential and alleged offenders will be confronted appropriately and reported to the authorities.

Leaders should refer to the free booklet Preventing Child & Substance Abuse found on the national ministries website (royalrangers.com on the Policies and Guidelines page) for more detailed procedures for protecting children. Some examples include the following:

- Follow the two-deep leadership guidelines.
- If a leader needs to counsel a child, this should be done in a private area but with the knowledge of and in view of other adult leaders.
- Respect the dignity and sanctity of every child. Privacy in bathrooms and swimming areas, for example, must be respected. The only time a leader should infringe on a child's privacy is if that child's health or safety is in jeopardy.

NOTE: During Camporama, boys and men will have separate restroom and shower facilities. Boys and men will be expected to use only their designated facilities.

Insurance

Accident and sickness insurance will be provided to all Camporama participants (as part of the Camporama fee) as a secondary policy. It will act as a primary policy in the event the participant does not have a primary personal accident insurance policy. Each individual district will provide additional insurance coverage for travel to and from Camporama if traveling as a group.

Transportation and Personal Vehicles

Parking and traffic safety guidelines will be enforced as stated in the Campground Rules.

Meals

To receive meals, colored ID cards must be shown. Colored ID cards will match the color of the food station where the camper is assigned to eat for the duration of Camporama. Camporama meals begin with supper on Sunday evening, July 19. Meals will be served at different locations (see map in camper's notebook for locations). Bring a water bottle and your camp stool because food stations are not equipped with chairs. Meals are served by regional grouping. See the schedule at regional HQ.

Special Dietary Needs

The Camporama Food Service Group **is not able** to satisfy all of the many special dietary needs of those attending Camporama. If you have special needs because of medical reasons (such as food allergies), you should be sure the information is documented on the "Participant Agreement & Medical Record form." You must plan to meet this need on your own by bringing a supply of non-perishable food products (as you would medication). You may also purchase food at local supermarkets in and around the Cassville, MO area. Only non-perishable food items required to meet special dietary needs may be brought to Camporama.

Peanuts and peanut oil **may** be in any prepared meals served at Camporama. Peanuts will be in some candy, such as Snickers, for sale at the snack bars. Boys and their leaders who know they have food allergies should not purchase foods that contain those products. Menus and snack bar items will be published on the National Camporama website (www.nationalcamporama.com) a few weeks before the event.

Concession Stands

Cold drinks, snack food, and ice will be sold between meals. Free refills of water will be provided at designated watering stations.

Clothing

The Camporama uniform will be Royal Rangers T-shirt, shorts, and hat. If wearing non-Royal Rangers T-shirt, make sure slogans and images are appropriate. Dress appropriate for the weather.

- Special Opening Ceremony: The Monday evening service will be the Grand Opening Rally. We strongly encourage each boy and leader to wear his Camporama T-shirt. A panoramic picture will be taken of all attendees. This picture will be available for sale during Camporama.
- Day Activities & Evening services: Camporama T-shirt or appropriate T-shirt, Camporama hat, and shorts.
- T-shirts: Each camper will be issued two Camporama T-shirts. (Additional T-shirts may be purchased at the Camporama store.)
- Shoes: Campers must wear appropriate shoes or boots at all times.
- Headgear: A special Camporama hat will be issued to each registered camper.
- Poncho or Raincoat: Each camper should bring a poncho or raincoat.
- Socks, underclothing, etc. as needed.

- Insect repellent, sun screen, and lip balm

Camp Eagle Rock
28879 FR 1162
Eagle Rock, MO 65641
Attn: Recipient's Name, _____ District

Telephone or Internet Communications

Because of the limited facilities for telephone communications at Camp Eagle Rock, all incoming calls to participants will be handled on an emergency basis only. For use in the event of serious emergencies only, calls are to be made to 417–271–3900. Messages will then be delivered to the Camporama participant. Cell phone reception is very limited or spotty on the Camporama site.

Morning Devotions

The spiritual emphasis is the most important aspect of the National Camporama. To get the day started off right, each region will hold morning devotions (Tuesday–Thursday).

Camp Chaplains

There will be camp chaplains available at each region headquarters and the main camp hospital. They will be available for meeting the spiritual needs of the campers. They will also help oversee the altars at the evening services.

Activities

Most activities will be located in and around the large field in front of Johnnie Barnes Lodge. The Camporama events are too numerous to list fully. Check the Camporama website for updates and announcements. A sampling of activities include the following:

- Shooting sports competitions (archery, air gun, trap, black powder rifle)
- Ranger Derby
- Paintball
- Extreme inflatables
- Swimming
- Royal Rangers History Museum
- Climbing wall and Rappelling
- Sports competitions (soccer, flag football)
- A whole lot more!

Camporama Products/Awards Station

Each camper will need to show his camper ID card at the Camporama Store to receive his Camporama T-shirts, souvenir pin, patch, and camp stool, which are included with camp registration. Award distribution for competitions will be handled at a designated location.

Cool Down

Misting tents and/or fans will be strategically placed throughout Camp Eagle Rock. Many water-based activities (including swimming pools) will be available.

Camporama Store

The Camporama Store will be open with a well-stocked inventory of Royal Rangers items, such as novelties, Camporama T-shirts, Camporama mugs, Royal Rangers mugs, Royal Rangers tapestries, mini-fans, T-shirts, ponchos, caps, patches, Camporama postcards, flashlight batteries, and much more.

Individual Vendors

Numerous items will be offered for sale from vendors located on Vendors' Row. Each vendor selling products (including vendors in the FCF Village) must acquire a vendor's license from the national Royal Rangers office. All vendored items being sold cannot be similar in nature to those being offered by My Healthy Church or the Camporama Store. For more information about being a vendor (including cost and other requirements), please go to nationalcamporama.com and click on "Vendors."

International delegations will be assigned a booth in the main activity area to display and trade items from their country of origin. This will allow many to meet and learn about Royal Rangers abroad. This will be a rotating schedule so you will want to visit it often.

Ministries, such as BGMC, LFTL, Men's Ministry, and Speed the Light may operate booths and may have information, souvenir pins, and/or other giveaways.

Trading

No money can be exchanged for trade items. Only boys will be allowed to swap items of interest with other boys, such as patches, novelty items, craft items, and state souvenirs. Men will not be permitted to swap items with boys unless the boy is accompanied by one of his responsible leaders to approve the trade.

Security

Security personnel will be present before, during, and after Camporama to ensure the safety of all campers. These individuals are professional law enforcement officers who serve in their local outposts. Please give them the highest respect as they serve us. Please note that you will need to provide the name of each vehicle's primary driver along with vehicle ID information at registration to receive your parking permit. This will help us locate the drivers of vehicles if needed.

Camp Access

Royal Rangers, Royal Rangers leaders, international delegates, Camporama workers, vendors, and visitors will be required to go through registration located at the Eagles Lodge at the Eagles Resort area, the first time they come onto Camp Eagle Rock. Each person will be required to go through registration to receive the appropriate ID card. YOU MUST HAVE AN ID CARD for security to allow you to proceed through the secure campground gates. If you do not have an ID card, you will not be allowed to enter the campground. Visitors, workers, and guests will receive a colored "Visitor ID Card" and will need to sign in and out of the campground as they travel back and forth. This rule is to provide safety for our campers. You will be required to give your vehicle license number and primary driver information to the registration office to receive a parking pass.

Trash Policy

Trash maintenance is necessary to keep the camp clean and sanitary. Cooperation by all participants is requested to help ensure trash is disposed of properly. Trash dumpsites will be designated.

Parking/Traffic Safety Policy

Motor vehicles will be used to transport materials and supplies by an approved group of staff workers throughout the Camporama site. The following guidelines are for the best interest of all participants:

Pedestrians

Campers are asked to abide by the following rules when walking on camp roads:

- Walk on the left shoulder of the road in a single-file, facing traffic, and carrying a flashlight at night.
- Stay off roadways and bridges when footpaths are available.
- Cross roadways only at established crossings.
- Give emergency vehicles the right of way.
- Obey traffic signs

Motor Vehicles

Motor vehicles in use on the campgrounds during Camporama must be used in accordance with the following standards:

- Use of motor vehicles on the Camporama site is by approval only. (Must have service vehicle placard.)
- Always buckle your seat belt.
- Travel slower than the posted speed limits.
- Truck beds/tractors may not be used for transporting passengers.
- Give right-of-way to emergency vehicles, security, and security vehicles.

On Sunday, July 19, beginning at 1:00 p.m., vehicles may be driven to assigned campsites for unloading gear. You will be allowed two hours to unload, and then you must move your vehicles to the assigned parking lot. No vehicles may be parked outside the designated parking areas. For safety reasons, no personal vehicles including any motor-propelled unit will be permitted for transporting people or equipment in the camp after Monday, July 20, without permission from the Camporama director or Camporama coordinator. A tow truck will be onsite to move illegally parked vehicles. Anyone wishing to use their vehicles off site during the Camporama dates should use the designated parking area outside the secure campground gates. Please designate only one vehicle per group for this purpose and park all other vehicles in the designated regional parking areas.

Golf Carts

Use of any form of motorized vehicle (gas or electric), including golf carts and ATVs, within the campgrounds during Camporama is limited to approved vehicles only. Anyone in need of golf carts must make arrangements with the national Royal Rangers office in advance of the camp. Campers will not be allowed to bring any motorized vehicle except for golf carts. Golf carts brought onto the campgrounds must be registered in advance with the national Royal Rangers office, pay a registration fee, and bear an individualized placard provided by the national office. With the exception of the security team, the medical team, and maintenance personnel – no other motorized vehicles besides golf carts will be allowed on the campgrounds during Camporama. For more information on requirements to register or rent a golf cart, refer to nationalcamporama.com.

Special Activities

Some activities are open only during designated activity periods. These activities are off-limits during non-designated activity hours.

Going Off Site

Every individual must notify security when entering and exiting the campground. Each district and foreign delegation will be responsible for the care and liability of the boys and leaders in its group. Any leader wishing to leave the campground after he has registered and before Friday morning end of camp, must fill out a Release and Hold Harmless Form and present it to security at the main gate. Forms are available at registration, national headquarters, regional headquarters, and at the main gate (see page 34).

Water Conservation

Please practice water conservation and use only biodegradable soaps and shampoos.

Fire Safety

Due to potentially dry conditions at Camp Eagle Rock during the summer months, open campfires may be prohibited at the time of camp. However, if conditions are suitable, open campfires will be allowed during Camporama but must be built using a fire pan or fire mound at least six inches off the ground. Once extinguished, the fire site should be restored to its original condition. Proper fire safety equipment must be on hand, and fires must be attended at all times.

Buddy System

Every person under 18 years of age must remain with another individual at all times. Use the “buddy system.”

Banned Items

Tobacco, alcohol, illegal drugs, laser pointers, daggers (double edged knives), switchblades, blades longer than 10 inches, e-cigarettes, fireworks, and firearms are not permitted. (Fireworks and firearms may be used only by appointed personnel when approved by the national office for event activities.) This policy will apply to all applicants, vendors, and service personnel. In addition, no conceal-and-carry is permitted at the National Camporama.

Dehydration

Drink enough water to avoid heat-related injuries. Frequent drinks and rests in a shaded area are necessary. If you drink large amounts of soda without the proper water intake, you can become sick. FREE water will be available throughout the camp at designated locations. You will need to provide your own water bottle. Please remind boys to drink lots of water. Our wells have chlorination systems and have been tested for safety. Do not drink water from the creeks. Drink only from authorized water areas.

Power

Gas and power are limited, but participants will be permitted to bring items, such as electric razors and hair dryers. No large household-size electric or gas appliances will be permitted. Generators are not permitted unless authorized prior to Camporama by the national Royal Rangers office. The power outlets at the shower houses are primarily for grooming purposes although cell phone, video, and camera battery chargers may also use these outlets. Using extension cords to run power out of any building is not allowed. The national Royal Rangers office assumes no responsibility for theft or damage.

No alteration of electric systems will be allowed. All other power outlets are for Camporama operations only.

Charging Stations

An enclosed and manned charging station is available at each regional headquarters. These charging stations are for their region's use. A check-in and check-out process has been established and will be followed by all individuals using these charging stations. Telephones and chargers for CPAP batteries take precedence over other electronics. To check your electronic device in you must have the full charging cord assembly attached to the device. There will be no sharing of cords or disconnecting someone else's cord to connect to yours. A tag will be affixed to the charging cord to verify ownership at check-in and confirmation at check-out. Check with your region for the designated hours of operation for this service.

Flashlights

Flashlights are recommended for all campers while walking on roads or trails at night. Replacement batteries may be purchased at the Camporama Store. Flashlights should not be used in the Amphitheater while evening services are underway.

Service Attendance

All registered campers are required to attend the evening services, morning regional assembly, and devotions.

Early Arrivals

Campers will not be admitted to the campgrounds prior to 1:00 PM on Sunday, July 19. The first service is Monday, July 20, at 7:00 p.m. Please have camp set-up finished before the opening service.

Family Campgrounds

Family members not attending Camporama may wish to camp or stay in one of the many campgrounds or resort areas near Camp Eagle Rock. For information contact the following: Branson Chamber of Commerce at 417-334-4084, Roaring River State Park at 417-847-2330, Cassville Chamber of Commerce at 417-847-2814. For individuals staying in Springfield, Missouri, call the Springfield Chamber of Commerce at 417-862-5567.

Visitors & Visiting Hours

All visitors must register at the registration office at Eagles Resort Lodge upon arrival at the camp. You must receive a Visitor ID badge to enter camp. A snack bar will be available to visitors who wish to purchase food during lunch. Visitors will receive a visitor's guide. Limited activities will be available for visitors, including the Camporama Store and Vendors' Row (see visitor's guide). Registration is available online and on-site.

Visitors are limited to the activity areas of camp only and may not visit the campsites. These are the men's and boys' sleeping quarters so please respect their privacy.

Visitors Hours: *Tuesday–Wednesday..... 9:15 a.m. to 5:00 p.m.*
 Monday–Wednesday..... Evening services are closed to visitors.
 Thursday 9:15 a.m. to end of evening service
 All visitors may attend this special closing service.

Only full-time staff, full-time volunteers, specially invited guests, such as National Leadership and Resource Center (NLRC) personnel, international delegates (to include both male and female), and specially invited pastors and their family members (to include both male and female) are permitted to attend the Monday–Wednesday evening services.

Portable Toilets

Portable toilets will be strategically placed through the camp. These toilets will be serviced daily. Do not place trash or bottles in the toilets.

Insects

All common areas, paths, and camping areas will be treated prior to Camporama. Campers should avoid tall grass and apply repellent as needed. The use of insect repellent and avoiding high weeds and wooded areas will help prevent bites. Insect repellent with 25% or more Deet has been found to be effective. Use of Chigarid has also been found to be effective in treating chigger bites.

Snakes and Wildlife

Do not confront or touch snakes and animals. We are visitors in their environmental home. If a snake or animal bites a person, he should report immediately to the closest first aid station. If you receive a snake bite, if at all possible take note of the appearance of the snake. We have never had such an incident because our campers are wise. We are, however, prepared to handle emergencies that arise with animals.

Injuries

We are fully staffed and prepared to create a safe environment and to respond to injuries. The medical staff will take appropriate action in the event someone becomes injured. An adult leader must accompany sick or injured boys from his district to and from the regional first aid station or Camporama main first aid station. If a child is transported to local community medical center, the parent will be called and his local leaders will accompany him.

In the unlikely event of a forest fire, tornado, flood, or other unexpected hazards, please follow all instructions given over the public address system.

VOLUNTEERS

The success of our National Camporama depends in large part on our volunteers. We need volunteers, both full time and part time, from each district to fill critical roles. The information below explains more about the differences between a part-time volunteer and a full-time volunteer. Every adult attending National Camporama as part of a local outpost will be asked to volunteer in some capacity.

Part-time Volunteers (during Camporama)

Adult leaders who come as part of an outpost (and are responsible for the care of the boys from the outpost) are expected to volunteer for at least two shifts during the period of Sunday, July 19, through Friday, July 24. A shift is defined as one 4-hour time slot. Volunteers may be asked, for example, to help run an activity or help distribute food at a food pavilion.

Once your outpost has completed the on-site check-in process, you will be directed to the volunteer check-in station to receive your assignments. Outposts will not be permitted to set up their campsites until their leaders receive their volunteer assignments. Outposts that only bring two leaders will not be expected to volunteer their services, keeping in mind the 2-deep leadership principle.

When adult leaders have completed their assignment(s), they will need to go back to volunteer check-in to receive a token for their service. The more shifts a volunteer helps with, the more tokens he receives. In the past, tokens have included one-of-a-kind patches, volunteer coins, and hats available only to volunteers.

Special Skills (during Camporama)

We do have need of people with special skills or experience during Camporama. These positions do not require full-time service; however, they are vitally important for a successful Camporama. These individuals would receive the part-time volunteer service tokens and partial registration consideration. Please complete the full-time volunteer survey (see link below) so that we have record of your special skills. Once you are approved, then we will send a partial registration code.

Full-time Volunteers (during Camporama, 1 Peter 4:10 NIV¹)

Generally speaking, full-time volunteers have specialty skills needed for the success of National Camporama. Plumbing, carpentry, electrical, medical, and security are only a few of the skills needed. Full-time volunteers devote days, not hours, at National Camporama to make sure tasks are completed. This time is fulfilled during the event. Full-time volunteers are unable to spend time with their local outposts because of their full-time commitment to National Camporama.

When a full-time volunteer is accepted, he or she will receive a complimentary registration code for Camporama so that we can have an ID badge printed. We will also provide housing unless you

Qualifications:

- Be at least 18 years of age by July 19, 2020
- Serve at least four or more full days during National Camporama
- Provide your own transportation to and from Camp Eagle Rock
- Attend the volunteer orientation on Sunday morning (July 19, 2020) to receive vital information as we represent Royal Rangers
- Complete the volunteer application at NationalCamporama.com (see link below)

- **Female volunteers** will be considered on a case-by-case basis and will be registered as volunteers; they will not receive National Camporama registration items.

Full-Time Volunteers Pre-Camp (aka: Work Week)

Pre-camp starts with dinner on Sunday, July 12, 2020, and concludes with lunch on Sunday, July 19, 2020.

- Complete the full-time volunteer survey (see link below) so that we have record of your skills.
- Unless authorized, all pre-camp volunteers will be assisting in breakdown on July 24-25.
- Arrival prior to July 12, 2020, requires written approval from the Camporama Director. (This is not the Camp Eagle Rock manager.)
- Full-time volunteers who volunteer to work during pre-camp are required to work the entire time once they arrive until Sunday lunch (unless assigned duties require otherwise) and then during breakdown.
- The latest day to arrive is noon Wednesday, July 15, 2020.
- All full-time volunteers during pre-camp will be required to wear the pre-camp meal wrist band, no exceptions.

Note: Working during pre-camp does not register you for Camporama. If you elect to work pre-camp and then attend National Camporama, you must register and pay separately for National Camporama.

Regional Camp Coordinators

On Friday, July 17, the region encampment setup may begin.

- Each region should have the regional camp coordinator and his assistant on site no later end of day Friday, July 17, to layout and setup the regional encampments.
- Specific details are found in the Regional Coordinator Duties and Guidelines for Camporama document. (This document will be sent to all regional coordinators by August 1, 2019.)
- Those arriving Thursday afternoon or evening (July 16) should eat on the way to camp.
- Due to the potential liability of having non-volunteers (boys & those not scheduled as volunteers) on-site prior to the start of the event, if the regional camp coordinator and his assistant are required to arrive with more than themselves, such as their outpost, they are required to lodge the others traveling with them off site (Roaring River State Park, etc.) with full and proper supervision.
- If you have pre-registered and signed up for meals, they will be provided.
- Complete the full-time volunteer survey (see link below) so that we have record of your skills.

- Your first meal will be Friday breakfast. Otherwise meals are on your own.
- Only the regional camp coordinator and his assistant will be eligible for meals.
- Plan to lodge in your regional HQ when you arrive.

District Camp Coordinators

On Saturday, July 18, district encampment setup may begin.

- Each district should have the district camp coordinator and his assistant on site no later than end of day Saturday, July 18.
- The district camp coordinator shall check in with the regional camp coordinator to begin setup of the district encampment.
- Refer to the National Camporama Leader Guide, found online, for important information on what is expected by each district. In particular, refer to pages 21-22 for campsite setup.
- When the gates open to campers at 1:00 pm on July 19, districts must be ready to greet each outpost at the district encampment and direct them in setting up a well-organized encampment. If you have any questions, please contact your regional staff.
- Those arriving Friday afternoon or evening (July 17) should eat dinner on the way to camp.
- If they have pre-registered and signed up for meals, they will be provided. Your first meal will be Saturday breakfast. Otherwise meals are on your own.
- Complete the full-time volunteer survey (see link below) so that we have record of your skills.
- Due to the potential liability of having non-volunteers (boys & those not scheduled as volunteers) on-site prior to the start of the event, if the district camp coordinator and his assistant are required to arrive with more than themselves, such as their outpost, they are required to lodge the others traveling with them off site (Roaring River State Park, etc.) with full and proper supervision.
- Only the district camp coordinator and his assistant will be eligible for meals.
- Plan to lodge in your district camp when you arrive.

Both Region and District Information:

In order to complete all pre-camp projects as needed, **ALL** pre-camp volunteer staff will be assigned to general camp setup duties and region/district encampment setup will not start until the above-mentioned dates. We appreciate all pre-camp volunteers and thank you in advance for your assistance in the overall setup of camp. We will provide housing assignments as possible for pre-camp volunteers, starting Sunday evening, July 12-19.

(Note: Beds are limited to pre-camp volunteers. If you are not a pre-camp volunteer, plan to lodge at your region or district camp when you arrive.)

In order to anticipate the number of people we are serving at each meal, all volunteers must register (see link below) for meals online by the deadline (**June 30**). We also need to define region/district encampment setup team numbers and dates. Volunteers will be required to wear the pre-camp meal wrist band, no exceptions. Those who do not register in advance “may” be able to purchase meals onsite if available.

DISTRICT PREPARATIONS

The role of district is very important in the planning of Camporama. Your efforts will go a long way not only in making this a fun event for the men and boys from your district, but also in making this the biggest, most well-attended Camporama! To help you, we have developed a checklist of the things you need to be working on between now and Camporama.

District Registration

- Camporama attendees may need to register with their district to attend. If districts choose to offer an additional registration process, they must come up with an efficient process that works. The process should include how the district registration fee (if applicable) and optional transportation package fees will be collected.
- Beginning in January 2020, district directors will be emailed monthly a registration list of the people who have registered from their district. This list will help you determine who has and who has not registered with their district. If you have a question about who has registered or the number of registrants, please contact Convention Services at registration@ag.org.

Travel

Each district director is requested to offer a group transportation plan for his delegation to and from Camporama.

- Plan and announce your district transportation package, if applicable.
- Ensure that the leader of the district transportation has copies of the Participant Agreement & Medical Record for all people on the vehicle.
- Remind leaders to check with the local church to make sure groups have the proper insurance.

Promotion

You will need to aggressively promote Camporama in your district. Beginning March 18, 2019, you may order several items to help promote this event. Camporama brochure (item #729200), and a Camporama poster (item #729077). Please contact My Healthy Church at 800-641-4310 and reference the item numbers provided. There is no charge for any of the promotional items. The Camporama videos can be downloaded at nationalcamporama.com. Regardless of the promotional items available, nothing takes the place of personally inviting each outpost in your district to attend. Please refer to the Camporama timeline on when and how to promote the event.

Hatpins or Tokens

Each district is requested to bring at least three times as many hatpins as is has boys in attendance. Tokens that represent the district or state are encouraged. These are used for trading, a favorite highlight of the camp for boys.

Leadership

- Attend the District Director's Orientation on Monday, July 20, and other required meetings. Please set the example for your district by attending all devotionals and evening services.
- Have your district camp coordinator check in on July 18 (Saturday) or July 19 (Sunday) with his respective region camp coordinator to be given camp location. Make sure he has a list of how many outposts are coming from the district. He can begin to layout your camp in a logical order

and get familiar with the surroundings. As outposts arrive, he can direct them where to set up. He may be able to set up some of your camp also.

- Ensure the safety, well-being, and conduct of your delegation to, at, and from Camporama.
- If an outpost needs camping equipment, work with them to find some to meet their needs.
- Ensure everyone from your delegation attends the morning devotions, evening services, and follows all Camporama rules and guidelines for their safety.
- Make sure everyone is having FUN!

Campsite

Make sure the district camp coordinator coordinates your camp within the region. He should arrive before all the other outposts. The campsite should be set up in an orderly and safe format. There should be ONE entryway with some type of district identification. Your district flag and a camp schedule are some items to include in your camp. Please ensure there are adequate shade awnings for your group.

Miscellaneous

If the district director is unable to make it to Camporama or is fulfilling another staff responsibility, he may assign another leader to fill his place and responsibilities.

Districts will receive a \$12 rebate for each paid registered camper. District rebates will be paid after August 2020. The fee is to help cover the cost of pre-camp mailings, hatpins, and tokens.

Districts may earn awards for the following (awarded within their region except the largest district in attendance):

- Best District Entryway
- Best District Camp
- Largest District Attendance

DISTRICT COMPETITION GUIDELINES

Alert Sound Procedures

Siren will sound. Please follow all instructions made on the public address system.

Severe Storm Plan

Severe storms may include the following:

- Electrical storm
- Tornado
- Earthquake
- Heavy rain over an extended period

The following actions shall be taken when an immediate possibility of a severe storm (as defined above) is present.

Tornado / Straight-line winds

In the event of a tornado or straight-line winds, move quickly to the lowest area nearby and lie flat on the ground. Sirens will blow if time permits. Remain in place until the “all clear” signal is given via the public address system or a siren. Take roll following the “all clear” signal. Contact the national headquarters, located in the Johnnie Barnes Lodge, concerning persons missing or injured.

Upon Siren

- All pool, water activities, and all other program activities shall be immediately terminated.
- All loose equipment, tents, awnings, etc., shall be made as secure as possible by staff members without jeopardizing the safety of staff personnel.

During

- The use of electricity and telephones should be limited during electrical storms.

After

- All campers shall be sent back to their respective campsites.
- All staff members shall immediately report to camp headquarters.
- Each district director shall respond to his respective regional headquarters.

- All activities at the pools, water activities, and program areas may continue only after the Camporama director or his designee has given the “all clear” signal.
- When the “all clear” signal is given, each camping unit shall immediately take roll. The regional coordinator will gather the reports from each district and report back to the Camporama coordinator or his designee.

Flood Plan

The following steps should be taken when the possibility of flooding at Camp Eagle Rock occurs.

- All water activities shall be terminated.
- All campers shall be sent back to their respective campsites.
- All water activities staff shall relocate canoes and boats to high ground, making them secure. Special precautions should be taken by staff in emergency procedures to not endanger themselves.
- The Camporama director shall make a determination that all staff and campers are accounted for.
- After flooding danger has passed, the Camporama director shall inspect all waterfront areas, making a determination as to condition and advisability to resume or not to resume activities.

Fire Response Plan

Reporting: When fire is discovered, its location, extent, and type (i.e., woods, grass, building, etc.) shall be reported to the camp manager immediately. All communications utilizing 911 (emergency number) will be placed only by the camp manager. It is the responsibility of the camp manager to notify the Eagle Rock Fire Department and/or to place any 911 calls.

Organizing to Suppress the Fire:

- The first staff members to reach the nearest Camp Eagle Rock fire-fighting equipment location will pick up the fire equipment, form buddy teams, and proceed to the fire scene with the camp manager. The remaining camp staff will stay at the Johnnie Barnes Lodge to assist in first aid, sending messages, or as a relief crew.
- The camp manager will notify the entire camp by activating the emergency alarm system.
- When a camp alarm is sounded for a fire, all campers shall return to their campsites. Camp staff should be prepared to be picked up, along with fire equipment, by the camp manager.
- Each camping unit will send two responsible persons to the camp headquarters to act as runner/messengers. The use of such runners is the responsibility of the camp manager.
- A runner/messenger from the fire scene will meet with the camp manager, directing him and others to the scene of the fire.
- The Eagle Rock Volunteer Fire Department may be called upon to assist. This fire department will be informed and assisted by the camp manager. Determinations will be made by them as to how to proceed.
- The fire department may ask camp staff and other volunteers to continue to assist in fire fighting or may request that the staff and others return to their respective campsites.
- Each camp is expected to respond with all available manpower and equipment requested, proceeding quickly and safely and obeying all speed limits and traffic laws.
- As soon as the danger is over and the “all clear” signal has been given, all staff and campers may continue the day’s activities.

Additional Manpower/Equipment

- The camp manager or his assigned representative (designee), who is the first to arrive at the fire scene, will determine the following:
- If additional manpower and/or equipment is needed.
- If the Eagle Rock Fire Department should be called.
- The information shall be communicated to the main national headquarters, located at the Johnnie Barnes Lodge.
- The camp manager or designee is authorized to request additional manpower. This will be known as the ALERT SYSTEM.

NOTE: Remember that all staff will take directions from the fire department officers until the fire is declared extinguished. It is possible that the fire department officers will not want the staff to continue fighting the fire. If so, the staff will return to their respective camps and await orders.

The support staff shall prepare and deliver drinking water for firefighting personnel at the fire scene. The kitchen/dining hall staff shall prepare to feed the firefighting personnel (as directed by the camp manager or his designee) after the fire has been extinguished.

When the fire department officer in charge of the fire scene declares the fire to be “under control,” this information will be relayed to the national headquarters, located at the Johnnie Barnes Lodge, by the camp manager or his designee.

When the fire department officer in charge of the fire scene declares the fire to be “extinguished” and releases all personnel, the NRRTC camp manager or his designee at the fire scene will radio this information to the communication headquarters.

When an “all clear” is received at camp headquarters, the camp manager or his designee will notify the Camporama director and advise him that the camp may return to normal operations.

As soon as it is practical after the fire is extinguished, a critique of the operation shall be conducted by the camp manager. The following points shall be considered:

- Manpower at the scene—Enough? Too many? Proper response?
- Manpower response—Timely? Obeyed traffic/safety laws and considerations?
- Communications—Good? Bad? Adequate?
- Equipment—Enough? In good repair? Correct type?
- Other considerations?
