GREETINGS FROM THE NATIONAL DIRECTOR

Hey Team,

Camporama 2022! *Does that sound like it's a long way off?*

I remember when the calendar changed from 1999 to 2000. Remember the Y2K bug? Many of you will remember this. Most of the boys you work with weren't even alive when that happened. I'm not bringing this up to make us feel old, but I want to remind you that the boys we are working with look at life from a very different perspective.

Many of you have been to Camporama several times, but this will be the first or second opportunity for most boys to experience our incredible campgrounds in Eagle Rock, MO. Remember the first time you visited Eagle Rock campgrounds or attended your first Camporama? Remember the excitement and the anticipation of getting there? Can you still feel the awe of driving on the grounds and seeing Rangers from across the nation and around the world? What was it that God did in your life while you were sitting on the side of the hill in our amphitheater surrounded by thousands of men and boys all worshipping and pursuing God? The boys you minister to deserve this same opportunity. In fact, based on our vision of influencing more boys and young men than ever, more effectively than ever, we have a responsibility to ensure as many boys as possible have the same experience.

Camporama 2022 will help us do exactly that! You're holding in your hand the packet that will provide the tools to help you ensure that Camporama is a possibility for the boys you minister to. This packet also answers many of your questions.

July 10–15, 2022, will be here before you know it. Start planning today to be part of this "Ultimate Event for Guys." Registration opens on September 1, 2021, and your best price is available September–October 2021!

Boys and leaders who were at Camporama 2016 still talk to me about the impact that week had on them and their outposts. Let's see what God's going to do this time. I can't wait to see you there!

Karl S. Fleig
National Director

Outpost Registration Process

The following information describes the process for churches to follow when registering their group to attend National Camporama. Additional details about Camporama can be found online at NationalCamporama.com.

1. **Select an “authorized group leader.”** Work with your church leadership to identify the individual who will represent your church at this event. This “authorized group leader” must be approved for this role by your church Board of Directors.
2. **Download the registration forms.** Go online to NationalCamporama.com. On the main menu, select “details” and then “downloads” to reach the downloads page. Download the following forms:
 - a. Adult Assumption of Risk Form
 - b. Parental Consent for Minors
 - c. Information Worksheet
3. **Distribute & collect Assumption of Risk, Parental Consent, and Information Worksheet forms for your outpost.**
 - a. Provide copies of the *Assumption of Risk* form and *Information Worksheet* to all adults (ages 18 & older) attending this event. Collect these forms, with all required signatures, once complete.

- b. Provide copies of the *Parental Consent* form and *Information Worksheet* to all parents of boys (under 18 yrs of age) attending this event. Collect these forms, with all required signatures, once complete.
 - c. Send copies of all adult *Assumption of Risk* forms and minor *Parental Consent* forms by mail, fax, or email to the following address. These forms must be received for each camper before your group may enter the camp:

National Royal Rangers Ministries
1445 N Boonville Avenue
Springfield, MO 65802
Fax: 417-831-8230
Email: Rangers@ag.org
 - d. Place all adult *Assumption of Risk* forms and *Parental Consent* forms in a binder or folder and keep in a secure location. Bring these forms with you while traveling to and from this event and keep them secure but available for reference as needed during the event.
4. **Register your boys & leaders to attend Camporama** using the information you collected via the *Information Worksheets*. Go online to **NationalCamporama.com/register** to register each individual (boys & adults) attending this event from your church. Full registration fees must be paid by credit card at the time of registration. You will receive a confirmation email for your group with a QR code. Bring a printed copy of this email to Camporama to expedite the check-in process. Please note that if anyone from your church registers for Camporama separate from the group, they will receive a separate QR code, which will be needed for check-in as well.
5. **Submit information online for the *Event Participation Affidavit* for churches.** An *Event Participation Affidavit* must be submitted for each church represented at this event. Go to the registration page of the NationalCamporama.com website (NationalCamporama.com/register), click on the “start affidavit” button, and enter the requested information. This form will require:
 - a. Name and email of an “authorized signer,” a legal representative of the church, which is usually the pastor.
 - b. Name, date of birth, email, and phone number of the “authorized group leader”—the individual selected to represent the church at this event and receive all communications concerning the group’s participation in the event (see #1 above).
 - c. Name and email of a second person at the church who will maintain the records and completed forms.
 - d. You will need to select your district and enter your outpost number.
 - e. The authorized group leader may be the pastor.

An electronic affidavit will be created with the information you have entered and distributed to the legal representative you have identified for digital signatures via the DocuSign electronic signature system. Your group registration is not complete until your legal representatives have digitally signed the affidavit. A completed affidavit is required in order for your group to participate in Camporama.
6. **Review & confirm your registration list.** Once registration has closed, a few weeks before the event, a list of all registered attendees from your church will be sent by email to the authorized group leader to confirm that all information is correct. Any corrections or changes must be made before your group will be admitted to the event. If all information on the list is correct, no response is needed. You will confirm the list onsite as well.

Additional District Registration

All outposts will be camping with their district within an assigned area. Some districts may also coordinate travel to and from the event or provide additional registration items to everyone attending from their district. Some districts may therefore require an additional registration process for outposts attending from their district. All outposts are therefore encouraged to contact their district leadership concerning any additional registration process that may be needed. If you are unsure of your district contact information, please email rangers@ag.org.

Arriving at Camp Eagle Rock

Campers will not be admitted to the campgrounds prior to 1:00 PM on Sunday, July 10th and all campsites should be set up before the start of evening service on Monday night. All boys, leaders, international campers, staff, vendors, and visitors will be required to go through registration located at the Eagles Lodge at the Eagles Resort area upon entering the camp. Each person will be issued an ID card which must be worn at all times while at the camp.

Drivers Not Staying (Visitors)

Drivers (Visitor) Registration: Anyone not staying for the event (such as van drivers or parents) will be given a registered visitor ID tag which must be returned to security upon leaving the camp. You will complete a short form about who you are delivering or visiting at the camp and how many visitors are in the group. The license of the driver (visitor) will remain with main security until you leave the premises.

On-Site Check-In Process

As outposts arrive at the camp, they will be directed to registration at Eagles Lodge to complete the check-in process. Only one representative from each outpost will be needed at check-in (preferably, the authorized group leader).

1. **Vehicle Registration:** At the front gate, the security team will give the vehicle driver a vehicle registration card to be completed and turned in to registration. A numbered parking tag will be issued for each vehicle to be displayed in the vehicle's front window.
2. **Outpost Roster Verification:** At registration, the authorized group leader will be provided with a printed list of all attendees from their church to verify its accuracy (same list as was sent to them previously). If there are any discrepancies or changes needed, they will be directed to the Convention Services table before proceeding.
3. **Church Affidavit Verification:** The group QR code that was sent to the group leader by email at the time of registration will be scanned using the Brushfire mobile app to verify that the church affidavit has been received. If the affidavit is missing, the group will be directed to Convention Services table to resolve the issue.
4. **Individual Paperwork Verification:** Once the affidavit has been verified, the group QR code will be scanned again to check everyone in. If any adult *Assumption of Risk* forms or minor *Parental Consent* forms have not been received for anyone in the group, the system will not allow those individuals to be checked in but will allow the rest of the group to check in. For example, if the group consists of 10 people and 2 have not turned in forms, the app will say "8 of 10 people checked in." The leader must then be directed to the Convention Services table where the missing paperwork must be provided and scanned before those individuals can be checked in.
5. **Provide Camper ID Tags & Notebooks:** Camper ID tags and Camper Notebooks will then be provided for each person on the church's list.

6. **Security Checkpoint Screening:** Before entering the main campgrounds area, all groups must pass through a security checkpoint where the security team will verify that each individual is wearing a camper ID tag or visitor ID tag and that a vehicle parking tag is clearly displayed in the window.

MEALS & CONCESSIONS

To receive meals, colored ID cards must be shown. Colored ID cards will match the color of the food station where the camper is assigned to eat for the duration of Camporama. Camporama meals begin with supper on Sunday evening, July 10. Meals will be served at different locations (see map in camper's notebook for locations). Bring a water bottle and your camp stool because food stations are not equipped with chairs. Meals are served by regional grouping. See the schedule at regional HQ.

Special Dietary Needs

The Camporama Food Service Group **is not able** to satisfy all of the many special dietary needs of those attending Camporama. If you have special needs because of medical reasons (such as food allergies), you should be sure the information is documented on the Adult Assumption of Risk form or the Minor Parental Consent form. You must plan to meet this need on your own by bringing a supply of non-perishable food products (as you would medication). You may also purchase food at local supermarkets in and around the Cassville, MO area. Only non-perishable food items required to meet special dietary needs may be brought to Camporama.

Peanuts and peanut oil **may** be in any prepared meals served at Camporama. Peanuts will be in some candy, such as Snickers, for sale at the snack bars. Boys and their leaders who know they have food allergies should not purchase foods that contain those products. Menus and snack bar items will be published on the National Camporama website (www.nationalcamporama.com) a few weeks before the event.

Concession Stands

Cold drinks, snack food, and ice will be sold between meals. Free refills of water will be provided at designated watering stations. Limited concession items will be available on Sunday night at the Amphitheater for the movie night.

PERSONAL GEAR & CLOTHING

Each camper is responsible for their own person gear and clothing while at Camporama. The following lists have been provided to assist you in making preparations for the camp.

Clothing

The Camporama uniform will be Royal Rangers T-shirt, shorts, and hat. If wearing non-Royal Rangers T-shirt, make sure slogans and images are appropriate. Dress appropriate for the weather.

- Special Opening Ceremony: The Monday evening service will be the Grand Opening Rally. We strongly encourage each boy and leader to wear his Camporama T-shirt. A panoramic picture will be taken of all attendees. This picture will be a free download after Camporama.
- Day Activities & Evening services: Camporama T-shirt or appropriate T-shirt, Camporama hat, and shorts.

- T-shirts: Each camper will be issued two Camporama T-shirts. (Additional T-shirts may be purchased at the Camporama store.)

Recommended Outpost Gear

It is recommended that each outpost bring the following group gear to Camporama:

- Tents
- Dining canopies or awnings (for shade in camp)
- Camp tables & chairs as needed for comfort
- Lanterns
- Water coolers
- Ice coolers (for snacks, drinks, etc.)

All meals are provided as part of your registration, so outpost cooking gear is generally not needed.

HEALTH & SAFETY

The health and safety of every individual attending Camporama is of utmost importance. Please take note of the following information to help ensure Camporama is a fun and safe event for everyone involved.

Security

Security personnel (uniformed and plain-clothes police officers) will be present before, during, and after Camporama to ensure the safety of all campers. These individuals are professional law enforcement officers who serve in their local outposts. There will be one Barry County sheriff on duty during Camporama. Please give them the highest respect as they serve us. Please note that you will need to provide the name of each vehicle's primary driver along with vehicle ID information at registration to receive your parking permit. This will help us locate the drivers of vehicles if needed.

Insects

All common areas, paths, and camping areas will be treated prior to Camporama. Campers should avoid tall grass and apply repellent as needed. The use of insect repellent and avoiding high weeds and wooded areas will help prevent bites. Insect repellent with 25% or more Deet has been found to be effective. Use of Chigardid has also been found to be effective in treating chigger bites.

Snakes and Wildlife

Do not confront or touch snakes and animals. We are visitors in their environmental home. If a snake or animal bites a person, he should report immediately to the closest first aid station. If you receive a snake bite, take note of the appearance of the snake if possible. We have never had such an incident because our campers are wise. We are, however, prepared to handle emergencies that arise with animals.

Water Conservation

Please practice water conservation and use only biodegradable soaps and shampoos.

Injuries

We are fully staffed and prepared to create a safe environment and to respond to injuries. The medical staff will take appropriate action in the event someone becomes injured. An adult leader must accompany sick or injured boys from his district to and from the regional first aid station or Camporama main first aid station. If a child is transported to local community medical center, the parent will be called and his local leaders will accompany him.

Emergency Evacuation

In the unlikely event of a forest fire, tornado, flood, or other unexpected hazards, please follow all instructions given over the public address system.

Prohibited Use & Sale of Firearms and Possession of Black Powder Rifles

The national Royal Rangers office of The General Council of the Assemblies of God has adopted the following policy regarding the use and sale of firearms at any Royal Rangers activity:

Due to potentially dry conditions at Camp Eagle Rock during the summer months, open campfires may be prohibited at the time of camp. However, if conditions are suitable, open campfires will be allowed during Camporama but must use a fire pan or fire mound at least six inches off the ground (see current Fire Craft merit). Once extinguished, the fire site should be restored to its original condition. Proper fire safety equipment must be on hand, and fires must be attended at all times.

Buddy System

Every person under 18 years of age must remain with another individual at all times. Use the "buddy system."

Banned Items

Tobacco, alcohol, illegal drugs, laser pointers, daggers (double edged knives), switchblades, blades longer than 10 inches, e-cigarettes, fireworks, and firearms are not permitted unless specifically authorized by the national office for Camporama activities. This policy will apply to all applicants, vendors, and service personnel. In addition, no conceal-and-carry firearms are permitted at the National Camporama.

Dehydration

Drink enough water to avoid heat-related injuries. Frequent drinks and rests in a shaded area are necessary. If you drink large amounts of soda without the proper water intake, you can become sick. FREE water will be available throughout the camp at designated locations. You will need to provide your own water bottle. Please remind boys to drink lots of water. Our wells have chlorination systems and have been tested for safety. Do not drink water from the creeks. Drink only from authorized water areas.

Cool Down

Misting tents and/or fans will be strategically placed throughout Camp Eagle Rock. Many water-based activities (including swimming pools) will be available.

Trash Disposal

Trash maintenance is necessary to keep the camp clean and sanitary. Cooperation by all participants is requested to help ensure trash is disposed of properly. Trash dumpsites will be designated.

Pedestrians

Campers are asked to abide by the following rules when walking on camp roads:

- Walk on the left shoulder of the road in a single file, facing traffic, and carrying a flashlight at night.
- Stay off roadways and bridges when footpaths are available.
- Cross roadways only at established crossings.
- Give emergency vehicles the right of way.
- Obey traffic signs

Going Off Site

Every individual must notify security when entering and exiting the campground. Each district and foreign delegation will be responsible for the care and liability of the boys and leaders in its group. Any leader wishing to leave the campground after he has registered and before Friday morning end of camp, must fill out a Release and Hold Harmless Form and present it to security at the main gate. Forms are available at registration, national headquarters, regional headquarters, and the main gate.

MORNING ASSEMBLIES & EVENING SERVICES

All registered campers are required to attend the evening services, regional morning assemblies and devotions. Exception: during the evening services, a district may have a maximum of (1) man stay in their district camp/First Aid station to keep an eye on the camp. The first service is Monday, July 11, at 7:00 p.m. A movie will be provided in the Amphitheater on Sunday evening (see schedule).

The spiritual emphasis is the most important aspect of the National Camporama. To get the day started off right, each region will hold a morning assembly on Tuesday, Wednesday, and Thursday near their regional encampment with a devotion provided by a representative of the national office. Special announcements and updates concerning the day's events will also be provided. All campers are asked to attend these assemblies.

Camp Chaplains

There will be camp chaplains available for each region. They will be available for meeting the spiritual needs of the campers.

ACTIVITIES

Most activities will be located in and around the large field in front of Johnnie Barnes Lodge. The Camporama events are too numerous to list fully. Check the Camporama website for updates and announcements. Here is sampling of activities:

- Shooting sports competitions (archery, air gun, trap, black powder rifle)
- Ranger Derby
- Paintball
- Extreme inflatables
- Swimming
- Royal Rangers History Museum
- Climbing wall and Rappelling
- Sports competitions (soccer, flag football)
- A whole lot more!

Ministry Booths

Ministries, such as BGMC, LFTL, Men's Ministry, and Speed the Light may operate booths and may have information, souvenir pins, and/or other giveaways.

International Booths

International delegations will be assigned a booth in the main activity area to display and trade items from their country of origin. This will allow many to meet and learn about Royal Rangers abroad. This will be a rotating schedule so you will want to visit it often.

Trading

No money can be exchanged for trade items. Only boys will be allowed to swap items of interest with other boys, such as patches, novelty items, craft items, and state souvenirs. Men will not be permitted to swap items with boys unless the boy is accompanied by one of his responsible leaders to approve the trade.

Special Activities

Some activities are open only during designated activity periods. These activities are off-limits during non-designated activity hours.

VEHICLES & TRANSPORTATION

To ensure the safety of all campers, motor vehicles (including golf carts or ATVs) will not be allowed to be operated at the camp during Camporama other than those necessary and authorized to meet camp security, medical, service/maintenance, activity, and tram transportation needs. Camper motor vehicles (cars, vans, buses, trucks) are allowed in the campsites to unload for no more than 2 hours after check-in but must then be moved to the designated parking areas. Any groups arriving after dark on Sunday or after 3PM on Monday will be required to offload their gear onto an authorized event trailer at registration for transportation to your campsite.

- **Vehicles and trailers cannot be left in the campsites.**

- **Golf carts, ATV's, and UTV's/Side-by-Side vehicles will not be allowed to be brought onto Camp Eagle Rock property by campers.** (These vehicles will be in use only by Camporama staff, medical & security teams, and activities coordinators.)
- **Golf carts will not be available for rent at Camporama.**
- If a motor vehicle is required to be brought on-site after 3pm on Monday, it will be required to be escorted by camp security. Ex: Portable Toilet truck

Most roads inside Camp Eagle Rock are one way. Please obey posted signs, including speed limit (which is 10 mph or less). Buckle up! No riding on tailgates is allowed. Yield to emergency vehicles, trams, carts, and pedestrians.

Park vehicles in the designated parking areas only; they are not allowed to remain at the campsites.

Anyone wishing to use their vehicles off-site during Camporama should use the designated parking area outside of the secure campground gates (north parking located near registration building). Displaying parking permit, issued at registration, is mandatory at all times. **A tow truck will move illegally parked vehicles at owner's expense.**

The road near the amphitheater is closed one hour before the evening rally and remains closed until the end of the altar service. Some roads may be temporarily closed to vehicles due to weather; you will need to follow staff instructions.

Motor vehicles will be used from time to time to transport materials and supplies by a team of staff throughout the Camporama site.

Tram Transportation

Transportation trams will be provided for the visitors and campers during the event. Refer to the Camper Notebook for tram stop locations and operating hours.

CAMPING AREAS

Outposts will be assigned a camping area within their district area, according to region. Campsites are primitive with no power or water immediately nearby, although restroom and shower facilities will be in the area.

Power

Gas and power are limited, but participants will be permitted to bring items, such as electric razors and hair dryers. No large household-size electric or gas appliances will be permitted. Generators are not permitted unless authorized prior to Camporama by the Royal Rangers national office. The power outlets at the shower houses are primarily for grooming purposes although cell phone, video, and camera battery chargers may also use these outlets. Using extension cords to run power out of any building is not allowed. The national Royal Rangers office assumes no responsibility for theft or damage. No alteration of electric systems will be allowed. All other power outlets are for Camporama operations only.

Charging Stations

An enclosed and manned charging station is available at each regional headquarters. These charging stations are for their region's use. A check-in and check-out process has been established and will be followed by all individuals using these charging stations. Telephones and chargers for CPAP batteries take precedence over other electronics. To check your electronic device in you must have the full charging cord assembly attached to the device. There will be no sharing of cords or disconnecting someone else's cord to connect to yours. A tag will be affixed to the charging cord to verify ownership at check-in and confirmation at check-out. Check with your region for the designated hours of operation for this service.

CPAP Units

Due to the size of the camping areas, we cannot provide power to individual tents or campsite. As such, all CPAP type machines must be brought with their own battery power (generators are not allowed to be brought by campers for their individual use). As noted above, each region will be providing a charging station. Same rules apply for CPAP units: to check your CPAP battery in for charging you must have the full charging assembly attached to the device.

For example: If a car battery is used to power a CPAP, then the battery must be accompanied with a battery charger.

It is recommended that you put your name on your battery and charger. There will be no sharing of cords or disconnecting someone else's charger to connect to another's. A tag will be affixed to the charging cord to verify ownership at check-in and confirmation at check-out.

Flashlights

Flashlights are recommended for all campers while walking on roads or trails at night. Replacement batteries may be purchased at the Camporama Store. Flashlights should not be used in the Amphitheater while evening services are underway.

Family Campgrounds

Family members not attending Camporama may wish to camp or stay in one of the many campgrounds or resort areas near Camp Eagle Rock. For information contact the following: Branson Chamber of Commerce at 417-334-4084, Roaring River State Park at 417-847-2330, Cassville Chamber of Commerce at 417-847-2814. For individuals staying in Springfield, Missouri, call the Springfield Chamber of Commerce at 417-862-5567.

GENERAL INFORMATION

Please refer to the following information for details about Camporama. Please note, however, that this information is subject to change at any time. For the latest information visit the Camporama website at www.nationalcamporama.com.

Postal Service

Letters from Camporama can be turned in at the Camporama office (see map in the camper's notebook). They will be collected daily and delivered to the nearest post office for mailing. Postcards may be purchased at the Camporama store. Mail being sent to Camporama should be sent to this address:

Camp Eagle Rock
28879 FR 1162
Eagle Rock, MO 65641
Attn: *(recipient's name & district)*

Telephone or Internet Communications

Because of the limited facilities for telephone communications at Camp Eagle Rock, all incoming calls to participants will be handled on an emergency basis only. For use in the event of serious emergencies only, calls are to be made to 417–271–3900. Messages will then be delivered to the Camporama participant. Cell phone reception is very limited or spotty on the Camporama site.

Physical Limitations & Disabilities

Camp Eagle Rock is a rustic camping facility with limited accessibility for individuals with physical disabilities or limited mobility. Likewise, Camporama is an outdoor, camping event conducted over a large area. Trails and roads are not paved, and only limited tram transportation will be available between areas of activity. Campers should, therefore, be prepared to walk considerable distances over uneven ground to fully participate in all events and activities. Persons who have any precautionary conditions should consult with their physician on whether they should attend Camporama.

Fundraising Ideas

Due to the significant cost to attend Camporama fundraising ideas have been provided on the Camporama website for use by outposts when preparing for this event.

Child Abuse Prevention

All adults attending Camporama must be screened and approved to work with minors as described on the Event Participation Affidavit required of every church from which adults will be attending (see affidavit for details). Abuse or mistreatment of minors in any form will not be tolerated at National Camporama and all suspected abuse or inappropriate behavior involving a child at Camporama must be reported immediately to the Camporama director or Camporama coordinator. Child abuse reports will be kept confidential and alleged offenders will be confronted appropriately and reported to the authorities.

Leaders should refer to chapter 27 of the *Royal Rangers Leader Manual* for more detailed procedures for protecting children. Some examples include the following:

- Follow the two-adult rule, where two adults must be present during any activity where boys are involved.
- If a leader needs to counsel a child, this should be done in a private area but with the knowledge of and in view of other adult leaders.
- Respect the dignity and sanctity of every child. Privacy in bathrooms and swimming areas, for example, must be respected. The only time a leader should infringe on a child's privacy is if that child's health or safety is in jeopardy.

NOTE: During Camporama, boys and men will have separate restroom and shower facilities. Boys and men will be expected to use only their designated facilities.

Visitors & Visiting Hours

All visitors must register at the **front gate** upon arrival at the camp. You must receive a Visitor ID badge to enter camp. You will complete a short form about who you are delivering or visiting at the camp and how many visitors are in the group. The license of the visitor will remain with main security until you leave the premises. A snack bar will be available to visitors who wish to purchase food during lunch. Limited activities will be available for visitors, including the Camporama Store and Vendors' Row. Registration is available online and on-site.

Visitors are limited to the activity areas of camp only and may not visit the campsites. These are the men's and boys' sleeping quarters so please respect their privacy.

Visitors Hours: *Tuesday–Wednesday..... 9:15 a.m. to 5:00 p.m.*
 Monday–Wednesday..... Evening services are closed to visitors.
 Thursday 9:15 a.m. to end of evening service
 *All visitors may attend this special closing service.*

Only full-time staff, full-time volunteers, specially invited guests, such as national office personnel, international delegates (to include both male and female), and specially invited pastors and their family members (to include both male and female) are permitted to attend the Monday–Wednesday evening services.

Portable Toilets

Portable toilets will be strategically placed through the camp. These toilets will be serviced daily. Do not place trash or bottles in the toilets.

Insurance

Limited accident and sickness insurance will be provided to all Camporama participants (as part of the Camporama fee) as a secondary policy. It will act as a primary policy in the event the participant does not have a primary personal accident insurance policy. Each individual district will provide additional insurance coverage for travel to and from Camporama if traveling as a group.

Camporama Products/Awards Station

Each camper will need to show his camper ID card at the Camporama Store to receive his Camporama registration items, which are included with camp registration. Award distribution for competitions will be handled at a designated location, which will be identified in the Camper Notebook.

Camporama Store

The Camporama Store will be open with a well-stocked inventory of Royal Rangers items, such as novelties, Camporama T-shirts, Camporama mugs, Royal Rangers mugs, Royal Rangers tapestries, mini-fans, T-shirts, ponchos, caps, patches, Camporama postcards, flashlight batteries, and much more.

Private Vendors

Numerous items will be offered for sale from private vendors located on Vendors' Row. Each vendor selling products (including vendors in the FCF Village) must acquire a vendor's license from the national Royal Rangers office. All vendored items being sold cannot be similar in nature to those being offered by

My Healthy Church or the Camporama Store. For more information about being a vendor (including cost and other requirements), please go to nationalcamporama.com and click on “Vendors.”

VOLUNTEERS

The success of our National Camporama depends in large part on our volunteers. We need volunteers, both full time and part time, from each district to fill critical roles. The information below explains more about the differences between a part-time volunteer and a full-time volunteer. Every adult attending National Camporama as part of a local outpost will be asked to volunteer in some capacity.

Part-time Volunteers (during Camporama)

Adult leaders who come as part of an outpost (and are responsible for the care of the boys from the outpost) are expected to volunteer for at least two shifts during the period of Sunday, July 10, through Friday, July 15. A shift is defined as one 4-hour time slot. Volunteers may be asked, for example, to help run an activity or help distribute food at a food pavilion.

Once your outpost has completed the on-site check-in process, you will be directed to the volunteer check-in station to receive your assignments. Outposts will not be permitted to set up their campsites until their leaders receive their volunteer assignments. Outposts that only bring two leaders will not be expected to volunteer their services, keeping in mind the 2-deep leadership principle.

When adult leaders have completed their assignment(s), they will need to go back to volunteer check-in to receive a token for their service. The more shifts a volunteer helps with, the more tokens he receives. In the past, tokens have included one-of-a-kind patches, volunteer coins, and hats available only to volunteers.

Special Skills (during Camporama)

We do have need of people with special skills or experience during Camporama. These positions do not require full-time service; however, they are vitally important for a successful Camporama. These individuals would receive the part-time volunteer service tokens and partial registration consideration. Please complete the full-time volunteer survey (see link below) so that we have record of your special skills. Once you are approved, then we will send a partial registration code.

Full-time Volunteers (during Camporama, 1 Peter 4:10 NIV)

Generally speaking, full-time volunteers have specialty skills needed for the success of National Camporama. Plumbing, carpentry, electrical, medical, and security are only a few of the skills needed. Full-time volunteers devote days, not hours, at National Camporama to make sure tasks are completed. This time is fulfilled during the event. Full-time volunteers are unable to spend time with their local outposts because of their full-time commitment to National Camporama.

When a full-time volunteer is accepted, he or she will receive a complimentary registration code for Camporama so that we can have an ID badge printed. We will also provide housing unless you specifically want to stay with your outpost. We will also provide other volunteer service tokens of appreciation. Please complete the full-time volunteer survey (see link below) so that we have record of your skills.

Qualifications:

- Be at least 18 years of age by July 10, 2022
- Serve at least four or more full days during National Camporama
- Provide your own transportation to and from Camp Eagle Rock
- Attend the volunteer orientation on Sunday morning (July 10, 2022) to receive vital information as we represent Royal Rangers
- Complete the volunteer survey at NationalCamporama.com (see link below)
- **Note:** Being a full-time volunteer during Camporama does not register you for Camporama. You may register and pay a reduced registration fee online at NationalCamporama.com in order to receive Camporama registration items in addition to the volunteer items
- **Female volunteers** will be considered on a case-by-case basis and will be registered as volunteers.

Full-Time Volunteers Pre-Camp (aka: Work Week)

Pre-camp starts with dinner on Sunday, July 3, 2022, and concludes with lunch on Sunday, July 10, 2022.

- Complete the full-time volunteer survey (see link below) so that we have record of your skills.
- Unless authorized, all pre-camp volunteers will be assisting in breakdown on July 15–16.
- Arrival prior to July 3, 2022, requires written approval from the Camporama Director. (This is not the Camp Eagle Rock manager.)
- Full-time volunteers who volunteer to work during pre-camp are required to work the entire time once they arrive until Sunday lunch (unless assigned duties require otherwise) and then during breakdown.
- The latest day to arrive is noon Wednesday, July 6, 2022.
- All full-time volunteers during pre-camp will be required to wear the pre-camp meal wrist band, no exceptions.

Note: Working during pre-camp does not register you for Camporama. If you elect to work pre-camp and then attend National Camporama, you must register and pay separately for National Camporama.

Regional Camp Coordinators

On Friday, July 8, the region encampment setup may begin.

- Each region should have the regional camp coordinator and his assistant on site no later end of day Friday, July 8, to layout and setup the regional encampments.
- Specific details are found in the Regional Coordinator Duties and Guidelines for Camporama document. (This document will be sent to all regional coordinators by February 1, 2022.)
- Those arriving Thursday afternoon or evening (July 7) should eat on the way to camp.
- Due to the potential liability of having non-volunteers (boys & those not scheduled as volunteers) on-site prior to the start of the event, if the regional camp coordinator and his assistant are required to arrive with more than themselves, such as their outpost, they are required to lodge the others traveling with them off site (Roaring River State Park, etc.) with full and proper supervision.
- If you have pre-registered and signed up for meals, they will be provided.
- Complete the full-time volunteer survey (see link below) so that we have record of your skills.
- Your first meal will be Friday breakfast. Otherwise, meals are on your own.
- Only the regional camp coordinator and his assistant will be eligible for meals.
- Plan to lodge in your regional HQ when you arrive.

District Camp Coordinators

On Saturday, July 9, district encampment setup may begin.

- Each district should have the district camp coordinator and his assistant on site no later than end of day Saturday, July 9.
- The district camp coordinator shall check in with the regional camp coordinator to begin setup of the district encampment.
- When the gates open to campers at 1:00 pm on July 10, districts must be ready to greet each outpost at the district encampment and direct them in setting up a well-organized encampment. If you have any questions, please contact your regional staff.
- Those arriving Friday afternoon or evening (July 8) should eat dinner on the way to camp.
- If they have pre-registered and signed up for meals, they will be provided. Your first meal will be Saturday breakfast. Otherwise, meals are on your own.
- Complete the full-time volunteer survey (see link below) so that we have record of your skills.
- Due to the potential liability of having non-volunteers (boys & those not scheduled as volunteers) on-site prior to the start of the event, if the district camp coordinator and his assistant are required to arrive with more than themselves, such as their outpost, they are required to lodge the others traveling with them off site (Roaring River State Park, etc.) with full and proper supervision.
- Only the district camp coordinator and his assistant will be eligible for meals.
- Plan to lodge in your district camp when you arrive.

Both Region and District Information:

In order to complete all pre-camp projects as needed, **ALL** pre-camp volunteer staff will be assigned to general camp setup duties and region/district encampment setup will not start until the above-mentioned dates. We appreciate all pre-camp volunteers and thank you in advance for your assistance in the overall setup of camp. We will provide housing assignments as possible for pre-camp volunteers, starting Sunday evening, July 3–10. (**Note:** Beds are limited to pre-camp volunteers. If you are not a pre-camp volunteer, plan to lodge at your region or district camp when you arrive.)

In order to anticipate the number of people we are serving at each meal; all volunteers must register (see link below) for meals online by the deadline (**June 22**). We also need to define region/district encampment setup team numbers and dates. Volunteers will be required to wear the pre-camp meal wrist band, no exceptions. Those who do not register in advance “may” be able to purchase meals onsite if available.

DISTRICT PREPARATIONS

The role of district is very important in the planning of Camporama. Your efforts will go a long way not only in making this a fun event for the men and boys from your district, but also in making this the biggest, most well-attended Camporama! To help you, we have developed a checklist of the things you need to be working on between now and Camporama.

District Registration

- Camporama attendees may need to register with their district to attend. If districts choose to offer an additional registration process, they must come up with an efficient process that works. The process should include how the district registration fee (if applicable) and optional transportation package fees will be collected.
- Beginning in January 2022, district directors will be emailed monthly a registration list of the people who have registered from their district. This list will help you determine who has and who has not registered with their district. If you have a question about who has registered or the number of registrants, please contact Convention Services at registration@ag.org.

Travel

Each district director is requested to offer a group transportation plan for his delegation to and from Camporama.

- Plan and announce your district transportation package, if applicable.
- Ensure that the leader of the district transportation has copies of the PAC or AOR for all people on the vehicle.
- Remind leaders to check with the local church to make sure groups have the proper insurance.

Promotion

You will need to aggressively promote Camporama in your district. Beginning April 1, 2021, you may order several items to help promote this event. Camporama brochure (item #729200), and a Camporama poster (item #729077). Please contact My Healthy Church at 800-641-4310 and reference the item numbers provided. There is no charge for any of the promotional items. The Camporama videos can be downloaded at nationalcamporama.com. Regardless of the promotional items available, nothing takes the place of personally inviting each outpost in your district to attend. Please refer to the Camporama timeline on when and how to promote the event.

Hatpins or Tokens

Each district is requested to bring at least three times as many hatpins as they have in attendance. Tokens that represent the district or state are encouraged. These are used for trading, a favorite highlight of the camp for boys.

Leadership

If the district director is unable to make it to Camporama or is fulfilling another staff responsibility, he may assign another leader to fill his place and responsibilities. (See District Camp Coordinator information above)

- Attend the District Director's Orientation on Monday, July 11, and other required meetings. Please set the example for your district by attending all devotionals and evening services.
- Have your district camp coordinator check in on July 9 (Saturday) or July 10 (Sunday) with his respective region camp coordinator to be given camp location. Make sure he has a list of how many outposts are coming from the district. He can begin to layout your camp in a logical order and get familiar with the surroundings. As outposts arrive, he can direct them where to set up. He may be able to set up some of your camp also.
- Ensure the safety, well-being, and conduct of your delegation to, at, and from Camporama.
- If an outpost needs camping equipment, work with them to find some to meet their needs.

- Ensure everyone from your delegation attends the morning devotions, evening services, and follows all Camporama rules and guidelines for their safety.
- Make sure everyone is having FUN!

Campsite

Make sure the district camp coordinator coordinates your camp within the region. He should arrive before all the other outposts. The campsite should be set up in an orderly and safe format. There should be ONE entryway with some type of district identification. Your district flag and a camp schedule are some items to include in your camp. Please ensure there are adequate shade awnings for your group.

Rebates

Districts will receive a \$12 rebate for each paid registered camper. District rebates will be paid after August 2022. The fee is to help cover the cost of pre-camp mailings, hatpins, and tokens.

DISTRICT COMPETITION GUIDELINES

Each district will be judged per their region, except largest attendance. Districts will compete within their region (with the exception of attendance). Each region will award “Battle Ribbons” (provided by the national Royal Rangers office) to the 1st through 5th place districts for each of the following competitions.
